THE STATE OF NEW HAMPSHIRE.

[L. S.]

TO THE INHABITANTS OF THE TOWN OF CONWAY QUALIFIED TO VOTE IN TOWN AFFAIRS:

You are hereby notified to meet at the Town House in said town on the second Tuesday of March next, at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose by ballot and major vote a town clerk for the year ensuing.

2. To choose three selectmen for the year ensuing.

3. To choose by ballot one or more road agents, not exceeding three, for the year ensuing.

4. To choose by ballot and major vote a treasurer for the year ensuing.

5. To choose by ballot and major vote a collector of taxes for the year ensuing.

6. To choose by ballot three fish and game wardens for the year ensuing.

7. To see if the town will vote to choose one or more agents to sell spirituous liquors for the year ensuing.

8. To choose all other necessary town officers for the year ensuing, including trustees for public library.

9. To see if the town will vote to establish a public library, accept the provisions of Chapter 8, Sections 21-26 of the Public Statutes in such a manner as to be entitled to one hundred dollars' worth of books from the State, raise and appropriate a sum not less than one hundred and ten dollars annually for the support of the library, and otherwise comply with the provisions of said chapter of the Public Statutes.

2d. To see what sum the town will vote to raise and appro-

priate for the maintenance of the library in addition to the amount required by the terms of the law.

10. To see what action the town will take in regard to taking care of the water that comes down Mechanic street hill and settles in the road at the junction of Oak and Mechanic streets, agreeably to a petition signed Charles H. Whitaker and others.

11. To see if the town will vote to pay Laforest L. Chase the sum of one hundred and fifty dollars for land damage on account of new highway laid out from the main street in Conway Center village to the new school house.

12. To see if the town will vote to exempt from taxation for a term of ten years an electric light company, providing they locate in town and invest a sum not less than five thousand dollars.

13. To see if the town will vote to raise and appropriate a sum sufficient to pay the existing contracts due May 1, 1896, for breaking roads and snowing bridges.

14. To see if the town will vote to raise and appropriate the sum of fifteen hundred dollars to pay the interest on the town bonds already due and to accrue within the year ensuing.

15. To see what sum of money the town will vote to raise for repairing highways and bridges in addition to the one-fourth of one per cent. upon the valuation of the town as required by law.

16. To see what sum of money the town will vote to raise to defray town expenses for the year ensuing.

17. To see what sum of money the town will vote to raise and appropriate for the purpose of decorating soldiers' graves on Memorial Day to be paid to and expended by Custer Post G. A. R.

18. To see if the town will vote to raise and appropriate a sum sufficient to complete the new school house at Center Conway.

19. To see what disposition the town will make to make up the savings bank and railroad tax accruing to said town for the year 1896.

20. To see if the town will authorize the selectmen to hire

upon the credit of the town a sum not exceeding five thousand dollars, if needed.

21. To act upon any other business that may legally come before said meeting.

Given under our hands and seal this twenty-fourth day of February, 1896.

JOHN E. POTTER,
HENRY N. SNELL,
Selectmen of Conway.

A true copy of warrant, attest:

JOHN E. POTTER,
HENRY N. SNELL,
Selectmen of Conway.

Your selectmen, in submitting their report, desire to refer to the uncertainties in which they were left, by the expression of the town in regard to the payment of the contracts made by your road agents for breaking roads and snowing bridges by declining to raise by assessment, or to appropriate money from the treasury, for that purpose.

Believing that it was not the intention of the town to refuse the payment of the contracts, as there seemed no good reason for doing so, since previous contracts had been honored by the town, and considering the hability of suits being brought to recover, with attending costs—and, also the difficulty of further contracts being made by the road agents while such suits were pending, we believed it for the best interest of the town that these contracts should be paid at their maturity, which has been done, as will appear by our report.

Your selectmen also found it necessary to appropriate from funds in the treasury, the sum of $1770.07 to aid in repairing the damage occasioned by freshets in April last.

Receipts from railroad and savings bank tax and literary fund have been $665.05 less than in 1894, which affects our comparative statement with the statement for 1895, to the amount of these two sums, viz.: $2,435.12, which, with items amounting to $95 68, makes the difference in the two state ments, $2,530.70.

We recommend an appropriation of $1,100 to pay the contracts for breaking roads and snowing bridges.

Also to pay for uncalled for interest and interest accruing to Jan., 1897, $1,310.

For repair of highways, in addition to one-fourth on one per cent. upon the valuation as required by law, the sum of $1000.

For town expenses the sum of $2000.

Making a total of $4,310.

Respectfully submitted,

JOHN E. POTTER,
HENRY N. SNELL,
Selectmen of Conway.

CONWAY, N. H., Feb. 25, 1896.

We, the undersigned, auditors of the town of Conway, having examined the foregoing accounts of the selectmen for the fiscal year of 1895, find all items properly entered under appropriate heads, and sufficient vouchers on file for all orders drawn by them, and find the assets and liabilities of the town as stated.

C. W. WILDER,
JAS. L. GIBSON,
Auditors.

REPORT OF ROAD AGENTS

Your agents, for their own convenience as well as for simultaneous work in the different sections of the town needing early attention, adopted the division of the highway as last year.

Division One, consisting of the roads in Districts 7, 8, 14 and 15, and were assigned to Agent I. C. Davis for supervision.

Division Two, consisting of the roads in Districts 5, 6, 10, 13 and 19, and were placed under the supervision of Agent Geo. A. Heath.

Division Three, consisting of the roads in Districts 1, 2, 3, 4, 9, 12 and 16 were placed under the supervision of Agent J. P. Davidson.

The town at its annual meeting raised and appropriated for the repairs of the highways the sum of	$2,000 00
The unexpended appropriation for 1894 was	515 35
Making the total sum available for repairs of roads and bridges for the year,	$2,515 35

Early in the month of April our roads and bridges were damaged by the heavy rains and overflowing of the rivers and smaller streams to an extent not equaled in many years past. To repair the damage it will be seen by our report of expenditures that it has taken a sum nearly equal to the sum placed at our disposal for general repairs. To enable your agents to go on with the necessary work they were obliged to ask of the selectmen for a further appropriation, which, after due consideration, was granted.

The town declined at its annual meeting to make the special appropriation asked for by your agents for repairs upon the covered bridges, but they were found in such condition as to

be unsafe for public travel, and we believed it our duty to make the necessary repairs.

A report of our expenditures in the different divisions of the town will be found on this and the following pages, as reported by each agent in the division under his supervision.

Amount paid for material used in making general repairs of highways in Division No. 1, under the supervision of Israel C. Davis, road agent:

A. A. Whitaker, for gravel,	$ 5 90
C. E. Gibson, drain pipe and cement,	19 96

Total,				$1,573 26

SUMMARY.

DR.

Received of treasurer,	$1,573 26

CR.

Paid for labor,	$1,228 21	
Paid for material,	345 05	
		$1,573 26

Of the foregoing amounts it is estimated that the sum of $937.21 was expended for the repair of damages to highways and bridges caused by the freshet in the spring of 1895.

The bridges in Division No. 1 are all in good repair, and will require but little expended on them for some time, with the exception of the Artist Brook bridge in District 14, which must have new stringers and planking the coming spring.

Mr. Payson Tucker generously donated to the town twenty-five carloads of crushed stone delivered at North Conway station, with the understanding that it be used on the highway in District 14, which was done.

Respectfully submitted,

ISRAEL C. DAVIS, Road Agent in charge of Div. 1.

The following sums have been expended for labor in Division No. 2 for the month of April:

Five days, self and team,	$ 10 50
Alonzo Webster,	3 50
Frank Whitaker,	1 00
B. F. Clark, men and team,	7 00
J. B. Smith, men and 2 horses,	13 00
Andrew Carlton, men and horses,	15 65

CHRISTOPHER W. WILDER,
JAMES L. GIBSON.

Auditors.

Report of School Board.

At the Annual Meeting of the District, March 16, 1895, Mr. Edward N Shirley was elected a member of the School Board for three years At the first regular meeting of the Board for organization, March 26, Mr. John B. Nash was made chairman, Mrs. Abbie M. D. Blouin secretary and text book purchaser and librarian. Our schools during the past year have, with few exceptions, been in the hands of competent teachers, and have on the whole made fair progress.

It is a source of satisfaction to the School Board to be able to say that there has been a gradual improvement from year to year in the efficiency of our schools under the system of town supervision. The cost of supporting the schools under this system is doubtless very much in excess of what it was under the old district system; but as there is no probability of our ever returning to the old district system, it becomes the duty of the people to cheerfully accept the situation, and labor to improve our schools in every way we can under the present system. There is ample room for improvement and we earnestly hope for such an awakening of public interest in the cause of education as will make this improvement possible.

The statistical report shows the astounding and lamentable fact that out of an average number belonging to our eighteen schools, of four hundred and nineteen pupils, there were only twenty-four who were not absent during our short school year of twenty-six weeks. We hope to see an improvement in this one point in the coming year.

After careful investigation of the subject, we decided the

past year to adopt a uniform course of study to be pursued in all of our schools. While it has not been in force long enough to judge of its practical results, we have no doubt it will prove highly advantageous. The School Board has for several years had a rule not to allow pupils to take the text books to their homes in vacation. This course became necessary because of the frequent abuse of the privilege by some of the pupils. Books were often torn and soiled and in some instances lost. We have, however, made a practice of selling books to the pupils at the actual cost to the town. We believe the same course in reference to loaning the text books to pupils should be adhered to in the future.

During the past year we have substituted Raub's Series of New Normal Readers for use in our schools in place of Swinton's Series, which had been in use here for many years. We also changed the grammars, arithmetics, spellers and physiologies. This change has been made without any additional cost to the town for books. We have today 1400 new books in place of the same number of old ones, the old ones in very many cases being entirely unfit for use. The labor on the part of the librarian in labeling, numbering, distributing and keeping record of this large number of books was arduous. It is, however, gratifying to the librarian to state that during the past year less than a dozen books have been lost track of, and of those, several went out of town with a family that skipped in the night. The increased interest awakened among the pupils by the text book change has been very marked indeed.

The attempt to run a schsol with four or a half dozen pupils has been attended with the usual results during the year wherever we have tried it. We need hardly add that the results have been far from satisfactory. We are most decidedly of the opinion that no school should be continued when the number of pupils registered is less than fifteen, unless the cost of transportation would exceed the cost of supporting a school. After the spring term we consolidated the Ridge or No. 10 school with Stark or No. 5, with satisfactory results. Miss Evelina D. McLellan of Gorham, Me. was employed to teach the term in No. 16. Her attempt at teaching was an utter

failure in every way, and we discharged her at the end of two weeks.

The most unfortunate and unpleasant affair connected with our schools the past year occurred in the Grammar School at North Conway. Mr. Chester Chapman was in charge of the school, a position he filled very acceptably the previous year. He is a teacher of large experience, a good instructor and a very strict disciplinarian. We had confidence in his ability and integrity. We found the school, however, very much demoralized during the first part of the fall term, a condition that became more marked as the term progressed. This state of things was a surprise and a mystery to us. But because of hints thrown out to a member of the Board during the fall vacation, we made a thorough investigation, which resulted in a charge of immoral conduct being brought against the teacher. Notice of this charge was at once sent to Mr. Chapman, who demanded a hearing in the matter before the School Board. This demand was of course acceded to, and a public hearing was held at the school house in North Conway. The School Board was unanimously of the opinion that the charges were true, and Mr. Chapman was discharged.

At the meeting of the board on Jan. 18th, 1896, Mr. Edward N. Shirley surprised his associate members by tendering his resignation to take effect immediately. The resignation was accepted; and the work of the remaining weeks of the year has been carried on by the remaining members, and by whom the above reports are

Respectfully submitted,

JOHN B. NASH,

ABBIE M. D. BLOUIN,

School Board of Conway.
